UPC Code:

N/A
AGES 7+
OVER 7 YEARS OF AGE
NOT SPECIFIED
OVER 7 YEARS OF AGE
661326210283

EToys SKU No.: 407029
PO No.: 179295
Vendor Part No: 21028
Country of Origin: CHINA
Assortment No.: N/A
Vendor ID No.: 3110

TEST:

- ASTM F963-03 Labeling
- US PL 104-142 Mercury in batteries
- eToys 16 CFR 1303 Lead content
- eToys ASTM F963 Mechanical hazards (B/O Toys)
- eToys UPC Scanning evaluation (1 unit)
- Packaging and labeling evaluation
- US State Laws Mercury in batteries
- eToys 16 CFR 1500.44 Flammability (solids)
- eToys ASTM F963 Soluble heavy metals content

The sample(s) MEET the following requirement(s):

- The labeling requirements of ASTM F963-03, "Standard consumer safety specification for toy safety".
- The packaging and labeling requirements of the client's testing program.
- The mercury content requirements of the tested sections of the United States Public Law 104-142, Title II, "Mercury-Containing Battery Management Act."
- The Labeling requirement of State Laws for batteries.

This report is prepared by and incorporates by reference, the conditions of testing as stated at the date of issuance of this report in
http://www.bv.com/veritas.com and intended for your exclusive use. Any copying or reproduction of this report by or for any other person or entity, or
use of its contents in any manner, is prohibited, only with our prior written permission. This report sets forth our findings solely with respect to the item
sample identified herein. The results set forth in this report are not intended as representative of the quality or characteristics of the lot from which a
sample is taken or any other lot. Critical product defects specifically and expressly noted. Our report includes all of the tests requested by you
and the results thereof based upon the information that you provided to us. You have 90 days from the date of issuance of this report to notify us of
any matters which at the time of issuance of this report, you have not reported to us in writing and shall specifically address the issue
you wish to raise. A failure to meet such issue within the prescribed time shall constitute your irrevocable acceptance of the completeness of this
report, the tests conducted and the correctness of the report contents.

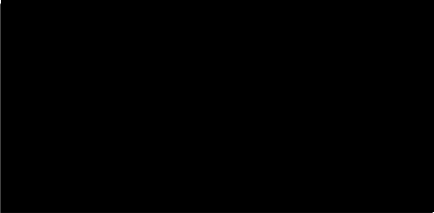

The sample(s) MEET the following requirement(s):

- The lead content requirements of 16 CFR 1303, "Ban of lead-containing paint and certain consumer products bearing lead-containing paint" (CPSC and CPSA regulations).
- The flammability requirements of 16 CFR 1500.3(c)(6)(vi), "Flammable solid" (FHSA regulations).
- The mechanical hazards requirements of ASTM F963-03, "Standard consumer safety specification for toy safety".
- The soluble heavy metals content requirements of ASTM F963-03, "Standard consumer safety specification on toy safety," Section 4.3.5.2.
- The UPC Bar Code requirements of the client's testing program.

Note: The received sample(s) contained scrapable surface coating material(s) of less than 10 milligrams by weight on one single sample, therefore such coating material(s) was not subject to the soluble heavy metals analysis of ASTM F963-03, "Standard consumer safety specification on toy safety", Section 4.3.5.2, as specified in Section 8.3.3.1(2).

This certificate is valid for one year from date of issuance.
